Tour to Explore Tulsa's Artful Gardens

Danna Sue Walker

The Andy Warhol Foundation for the Visual Arts provides grant funding for the featured installation artist.

This year's featured installation artist is Jennifer Vanderpool. Vanderpool is a Los Angeles-based artist whose work includes installation, video, performance and sound elements. Her 2006 exhibitions include solo shows at Bandini Art in the Los Angeles arts neighborhood of Culver City. She is a lecturer in the art department at the University of California, Santa Barbara, and Otis College of Art and Design. She teaches critical practices, theory and new genres art. Visit www.jennifervanderpool.com for more information.
